JUNE ACTIVITIES

Activities Overview:

In the month of June 2021, GPM managed to initiate several projects to assist the people affected by the government lockdown. When the government imposed the 'total lockdown', all economic and social sectors were not allowed to operate. Due to this issue, many people had lost their jobs and some can barely survive their days. In response, GPM launched AFTN: Lockdown 2.0, with an effort to supply foods and daily necessities to the people in need.

Priority SDG

In all GPM projects, GPM ensures to support the Sustainable Development Goals (SDGs). It is a blueprint by United Nations in promoting peace and prosperity for people and the planet, now and into the future.
